## Private Hire

Planning a larger event that our private room can't accommodate?  
Why not consider a full pub takeover?

The capacity of the whole pub including the Wildwood Room is 150-200 standing.  
This is perfect for larger summer events, festive parties, corporate occasions and even weddings.

With a bar on each floor you have space to spread out and enjoy your  
event with friends, family or work colleagues.

What's even better is there is no hirefee, just a deposit and minimum spend  
on food and drink would be required.

Please speak to one of our management team and they would be happy to discuss  
all your requirements and plan the perfect event for you.

## FAQs

### **Will we be allowed to bring a cake?**

Yes of course, we would be happy for you to bring a celebration cake for the occasion.

### **Will we be permitted to decorate the venue?**

You are welcome to decorate, providing you don't use anything that is damaging, permanent or irremovable in any way. The only decoration we don't allow is table confetti.

### **Can we play our own music?**

Music can be played in our Wildwood room via a bluetooth connection.

### **Can we have our own band/DJ?**

The Wildwood room would be too small to accommodate this, however we would be more than happy to discuss the options for full pub takeover.
